

Webinar on the new unfair trading practices rules in the Baltics

 Published more than 3 years ago

Published: 08.12.2021.

On December 3, the law firm COBALT organised a webinar on the new rules of unfair trading practices in the Baltic States - "Unfair Trading Practices in the Baltics - Webinar with Enforcement Authorities" took place.

The webinar was attended by representatives of the law firm COBALT, and representatives of the Estonian and Latvian competition authorities. The Competition Council (CC) was represented at the event by Svetlana Sitņikova, Senior Expert of the Analytical Department, and Sintija Nagle, Legal Adviser of the Analytical Department.
